August 9, 2025

Dear Hiring Manager,

My name is Annisa Dwi Jatmiko, based on the job vacancy information that I know through the plniconplus.co.id website, I hereby apply for the position of **Web Developer** at **PT PLN Indonesia Comnets Plus**.

I am a fresh graduate from the SMK Informatika Utama in Depok city with a Software Engineering skill program. I am a diligent person, disciplined and responsible for my work, and have a teamwork attitude. with a strong curiosity, I like to learn something new, especially in the field of it and programming languages.

With my abilities, I intend to fill the vacancy. I hereby attach my curriculum vitae and other supporting data for consideration if desired. I am willing to fulfill the call to be tested and interviewed, thank you for your attention.

Sincerely,

Annisa Dwi Jatmiko
